WHEREAS, the District desires to enter into this Agreement to have Contractor provide the materials and perform the services as more particularly described herein.

NOW, THEREFORE, in consideration of the recitals, agreements, and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties agree as follows:

SECTION 1. RECITALS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. DUTIES

A. The Contractor agrees to provide the labor, materials, and services necessary for the provision of the erosion repair services described in the attached **Exhibit A**, which is incorporated herein by reference (the “**Services**”). Prior to the start of

Services, Contractor shall execute and file with the District the Trench Safety Compliance Statement attached hereto as **Exhibit B**.

- B.** Services shall commence no later than ten (10) calendar days upon the District's issuance of a notice to proceed, which may be issued in one or more partial, limited notices to proceed. The Services subject to the notice(s) to proceed shall be completed within the number of days established in such notice, unless extended in writing by the District in its sole discretion or terminated earlier in accordance with Section 4 herein.
- C.** This Agreement grants to Contractor the right to enter the District lands that are subject to this Agreement, for those purposes described in this Agreement, and Contractor hereby agrees to comply with all applicable laws, rules, and regulations. To the extent the Services to be performed require access to private property located adjacent to the District lands, the Contractor acknowledges and agrees the District does not have the right to provide access to such private property and that it is the Contractor's responsibility to seek approval of access from affected property owner(s) prior to start of any Services affecting such private property.
- D.** Contractor shall perform all Services in a neat and workmanlike manner. In the event the District in its sole determination, finds that the work of Contractor is not satisfactory to District, District shall have the right to immediately terminate this Agreement and will only be responsible for payment of work satisfactorily completed and for materials actually incorporated into the Services.
- E.** Contractor shall be solely responsible for the means, manner and methods by which its duties, obligations and responsibilities are met to the satisfaction of the District. While providing the Services, the Contractor shall assign such staff as may be required, and such staff shall be responsible for coordinating, expediting, and controlling all aspects to assure completion of the Services.
- F.** Contractor shall report directly to the District Manager or his or her designee. Contractor shall use all due care to protect the property of the District, its residents and landowners from damage. Contractor agrees to commence repairs for any damage resulting from Contractor's activities and work within twenty-four (24) hours, and Contractor agrees to complete such repairs within a reasonable amount of time.
- G.** Contractor shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Agreement. At completion of the Services, the Contractor shall remove from the site waste materials, rubbish, tools, construction equipment, machinery and surplus

materials. If the Contractor fails to clean up as provided herein, the District may do so, and the cost thereof shall be charged to the Contractor.

- H. Prior to commencement of the Work, Contractor must identify the landscaping that is anticipated to be disturbed as part of the Project and, as part of the Work, shall replace the same to its original condition at the conclusion of the Project. All other landscaping must be protected and replaced in the event of damage.
- I. Prior to commencement of any phase of the Work, Contractor must provide notice to residents of the start date of the Services and Work, the expected completion date of such Services and Work, and contact information for any questions or concerns regarding the Services and Work.

SECTION 3. COMPENSATION, PAYMENT, AND RETAINAGE.

- A. In exchange for completing the Services, the District agrees to pay the Contractor a total amount of **THREE HUNDRED THOUSAND TWO HUNDRED FIFTY-FOUR Dollars (\$300,254)**, thirty percent (30%) of which shall be for a deposit due upon execution of this Agreement by the Parties and the remaining due upon completion and acceptance of the Services by the District. Acceptance by the District shall be provided by written certification by the District Engineer after final inspection and walkthrough, which may be attended by Contractor. If the Services are phased with multiple limited notices to proceed, payment of the remaining balance may be made in partial payments according to a payment schedule mutually agreed to by the Parties and set forth in each corresponding notice to proceed. This compensation includes all parts, permits, installation, materials, labor and all other costs necessary to complete the Services as described herein. Compensation under this Agreement shall be paid by the District to Contractor in accordance with the Local Government Prompt Payment Act, as set forth in Sections 218.70, *Florida Statutes*.
- B. If the District should desire additional work or services, the Contractor agrees to negotiate in good faith to undertake such additional work or services. Upon successful negotiations, the Parties shall agree in writing to an addendum, addenda, or change order(s) to this Agreement. The Contractor shall be compensated for such agreed additional work or services based upon a payment amount acceptable to the parties and agreed to in writing.
- C. The District may require, as a condition precedent to making any payment to the Contractor, that all subcontractors, material men, suppliers or laborers be paid and require evidence, in the form of lien releases or partial waivers of lien, to be submitted to the District by those subcontractors, material men, suppliers or laborers, and further require that the Contractor provide an Affidavit relating to the payment of said indebtedness. Further, the District shall have the right to require, as a condition precedent to making any payment, evidence from the

Contractor, in a form satisfactory to the District, that any indebtedness of the Contractor, as to services to the District, has been paid and that the Contractor has met all of the obligations with regard to the withholding and payment of taxes, Social Security payments, Workmen's Compensation, Unemployment Compensation contributions, and similar payroll deductions from the wages of employees.

- D. Should any work and/or services be required which are not specified in this Agreement or any addenda, but which are nevertheless necessary for the proper provision of Services to the District, such work or services shall be fully performed by the Contractor as if described and delineated in this Agreement without additional compensation provided therefore.

SECTION 4. TERMINATION. The District agrees that the Contractor may terminate this Agreement immediately for cause by providing written notice of termination to the District, provided, however, the District shall be provided a reasonable opportunity to cure any failure under the Agreement. The Contractor shall provide thirty (30) days' written notice of termination without cause. The Contractor agrees that the District may terminate this Agreement immediately for cause by providing written notice of termination to the Contractor. The District shall provide thirty (30) days' written notice of termination without cause. Upon any termination of this Agreement, the Contractor shall be entitled to payment for all work and/or services rendered up until the effective termination of this Agreement, subject to whatever claims or offsets the District may have against the Contractor ("**Post-Termination Payment**"), and the District shall be entitled to the return of any amounts paid to Contractor prior to the effective termination of this Agreement to the extent such exceeds the Post-Termination Payment amount.

SECTION 5. WARRANTY. The Contractor warrants to the District that all materials furnished under this Agreement shall be new, and that all services and materials shall be of good quality, free from faults and defects. In addition to all manufacturer warranties for materials purchased for purposes of this Agreement, the Services, including without limitation services provided by the Contractor pursuant to this Agreement, shall be warranted for workmanship for a period of two (2) years after final completion and acceptance by the District and the materials shall be warranted for a period of ten (10) years after final completion and acceptance by the District. Neither final acceptance of the Services, nor final payment therefore, nor any provision of the Agreement shall relieve Contractor of responsibility for defective or deficient materials or Services. If any of the materials or Services are found to be defective, deficient or not in accordance with the Agreement, Contractor shall correct, remove and replace it promptly after receipt of a written notice from the District and correct and pay for any other damage resulting therefrom to District property or the property of landowners within the District. Warranty does not include the loss of material due to "acts of God" such as floods, hurricanes, or other catastrophic events, nor does it include loss due to theft, vandalism, or negligence by others, or other factors outside the control of the Contractor.

Contractor hereby covenants to the District that it shall perform the Services necessary to complete the Project: (i) using its best skill and judgment and in accordance with generally accepted professional and design standards and practices for projects of similar design and complexity as the development occurring within the District; (ii) in compliance with all applicable federal, state, county, municipal, building and zoning, land use, environmental, public safety, non-discrimination and disability accessibility laws, codes, ordinances, rules and regulations, including, without limitation, all professional registration (both corporate and individual) for all required basic disciplines that it shall perform; and (iii) in an expeditious and economical manner consistent with the best interest of the District. Contractor agrees that the warranties and covenants provided herein may be assigned to the District upon conveyance of the constructed improvements to the District.

Contractor shall assign to District all warranties extended to Contractor by material suppliers and subcontractors. If an assignment of warranty requires the material supplier and/or subcontractor to consent to same, then Contractor shall secure the material supplier's and/or subcontractor's consent to assign said warranties to District.

SECTION 6. INSURANCE.

A. The Contractor shall maintain throughout the term of this Agreement the following insurance:

- 1.** Worker's Compensation Insurance in accordance with the laws of the State of Florida.
- 2.** Commercial General Liability Insurance covering the Contractor's legal liability for bodily injuries, with limits of not less than One Million Dollars (\$1,000,000.00) combined single limit bodily injury and property damage liability, and covering at least the following hazards:
 - a)** Independent Contractors Coverage for bodily injury and property damage in connection with any subcontractor's operation, if any.
- 3.** Employer's Liability Coverage with limits of at least One Million Dollars (\$1,000,000.00) per accident or disease.
- 4.** Automobile Liability Insurance for bodily injuries in limits of not less than One Million Dollars (\$1,000,000.00) combined single limit bodily injury and for property damage, providing coverage for any accident arising out of or resulting from the operation, maintenance, or use by the Contractor of any owned, non-owned, or hired automobiles, trailers, or other equipment required to be licensed.

B. The District and the District's officers, supervisors, agents, and employees shall be named as additional insured. The Contractor shall furnish the District with the

Certificate of Insurance evidencing compliance with this requirement. No certificate shall be acceptable to the District, unless it provides that any change or termination within the policy periods of the insurance coverages, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the State of Florida. Contractor's Certificate of Insurance shall be attached to this Agreement as **Exhibit C** upon execution provided that it shall be attached prior to commencement of the Work.

- C. If the Contractor fails to have secured and maintained the required insurance, the District has the right, but not the obligation, to secure such required insurance, in which event the Contractor shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

SECTION 7. INDEMNIFICATION.

- A. Contractor agrees to defend, indemnify, and hold harmless the District and its officers, agents, professional staff, successors, assigns, members, affiliates, or representatives from any and all liability, claims, actions, suits, liens, demands, costs, interest, expenses, damages, penalties, fines, judgments against the District, or loss or damage, whether monetary or otherwise, arising out of, wholly or in part by, or in connection with the Services to be performed by Contractor, its subcontractors, its employees and agents in connection with this Agreement, including litigation, mediation, arbitration, appellate, or settlement proceedings with respect thereto. For avoidance of doubt, indemnification obligation of the Contractor herein requires the Contractor to indemnify the District for any and all percentage of fault attributable to Contractor in any claims arising hereunder (whether such claim is against the District, the Contractor or the District and Contractor as jointly liable parties) regardless of whether the District is adjudged to be more or less than 50% at fault.
- B. Contractor further agrees that nothing herein shall constitute or be construed as a waiver of the District's limitations on liability contained in section 768.28, *Florida Statutes*, or other statute. Notwithstanding anything to the contrary in this Agreement, Contractor's liability to the indemnified parties pursuant to this Section 7 is limited to \$1,000,000 regardless of legal basis of recovery or type of claimed damages.
- C. Obligations under this section shall include the payment of all settlements, judgments, damages, liquidated damages, penalties, fines, forfeitures, back pay awards, court costs, arbitration and/or mediation costs, litigation and/or other expenses including but not limited to attorneys' fees, paralegal fees (incurred in court, out of court, on appeal, or in bankruptcy proceedings), and any interest all as actually incurred by the District.

In the event that the Contractor does not pay or satisfy such claim or lien within three (3) business days after the filing of notice thereof, the District, in addition to any and all other remedies available under this Agreement, may terminate this Agreement to be effective immediately upon the giving of notice of termination.

SECTION 10. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of the District's sovereign immunity or the District's limits of liability as set forth in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under such limitations of liability or by operation of law.

SECTION 11. NO THIRD-PARTY BENEFICIARIES. - C. Section 287.135, *Florida Statutes*, titled *Prohibition against contracting with scrutinized companies*;
- D. Section 287.137, *Florida Statutes*, titled *Antitrust violations; denial or revocation of the right to transact business with public entities; denial of economic benefits*;
- E. Section 287.138, *Florida Statutes*, titled *Contracting with entities of foreign countries of concern prohibited*; and

Contractor acknowledges that the District may terminate this Agreement if the Contractor is found to have met the Prohibited Criteria or violated the Public Integrity Laws.

Contractor certifies that in entering into this Agreement, neither it nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity, meets any of the Prohibited Criteria, and in the event such status changes, Contractor shall immediately notify the District. By entering into this Agreement, Contractor agrees that any renewal or extension of this Contract shall be deemed a recertification of such status.

SECTION 32. PAYMENT AND PERFORMANCE BONDS. Notwithstanding any other provision of the Agreement, before commencing the Work, and consistent with the requirements of Section 255.05 of the Florida Statutes, the Contractor shall execute, deliver to the District, and record in the public records of Pasco County, Florida, a payment and performance bond with a surety insurer authorized to do business in the state of Florida as surety or, to the extent permitted by the District in its sole discretion, provide an alternative form of security as authorized under Section 255.05 of the Florida Statutes. Such bond and/or security shall be for 100% of the Contract Sum and shall be in effect for a full year from the time of Final Completion. In addition, each bond shall be on a District-approved form and shall contain the following language: "This Bond is hereby amended so that the provisions and limitations of Section 255.05 or Sections 713.23 and 713.245, Florida Statutes, whichever are applicable, are incorporated by reference herein." Such bond and/or security shall be attached to this Agreement as **Exhibit D** as soon as practicable but no later than prior to commencement of the Work.

SECTION 33. DIRECT PURCHASED MATERIALS. District represents to Contractor that District is a governmental entity exempt from Florida sales and use tax and will provide Contractor with a copy of its Consumer Exemption Certificate. At its sole discretion, and if it determines that it is in its best interests to do so, District may elect to implement a direct purchase arrangement whereby District will directly acquire certain materials (the "**Direct Purchase Materials**") necessary for the completion of the Work directly from Contractor's suppliers to take advantage of District's tax-exempt status. Such direct purchase arrangement shall be in accordance with the District's Procurement Procedures for District Purchased Material, which may be obtained upon request from the District's Public Records Custodian (hereinafter defined).

i. Presentation of District Manager Report.

Mr. Hayes presented his report and advised the Board of Supervisors that the next meeting will be a Budget Workshop on March 18, 2026 at 1:00 p.m.

SIXTH ORDER OF BUSINESS

Consideration of the Minutes of the Board of Supervisors Meeting held on January 21, 2026

Mr. Hayes requested a motion to approve the January 21, 2026 Regular BOS meeting minutes for the Del Webb Bexley Community Development District. The Board of Supervisors requested a typo on line 94 be corrected.

On a motion from Mr. McDermott, seconded by Mr. Bauld, with all in favor, the Board of Supervisors approved the January 21, 2026 Meeting Minutes as amended for the Del Webb Bexley Community Development District.

SEVENTH ORDER OF BUSINESS

Ratification Operation & Maintenance Expenditures for December 2025 & January 2026

Mr. Hayes reviewed December 2025 \$37,110.71 and January 2026 \$13,453.55 Operations & Maintenance Expenditures for the Del Webb Bexley Community Development District.

On a motion from Mr. McDermott, seconded by Mr. Bauld, the Board of Supervisors ratified the December 2025 \$37,110.71 and January 2026 \$13,453.55 Operation & Maintenance Expenditures, for the Del Webb Bexley Community Development District.

EIGHTH ORDER OF BUSINESS

Supervisor Requests

Board Supervisor, Mr. Eurell, was asked by the Property Grounds Committee to discuss the temporary dam between Pond 3 and Pond 12.

On a motion from Mr. Eurell, seconded by Mr. McDermott, the Board of Supervisors unanimously agreed not to grant permission for the Property Grounds Committee/HOA to remove the dam, for the Del Webb Bexley Community Development District. This motion fails.

Mr. Eurell discussed the mitered end on Pond 2 and the correspondence that has occurred with Pulte. Mr. Dugan stated he will not be able to pursue any legal proceedings on behalf of the Del Webb Bexley CDD as he has a conflict since he has Pulte as a client of several Community Development Districts. He would encourage the Del Webb Bexley CDD to engage a construction litigator that would be able to assist them if they would like to pursue further. Mr. Eurell will send all correspondence to Mr. Hayes for district filing.

NINTH ORDER OF BUSINESS

Adjournment

On a motion from Mr. Eurell, seconded by Mr. McDermott, the Board of Supervisors adjourned the meeting at 9:05 p.m., for the Del Webb Bexley Community Development District.
